

# SVH Online Video Meetings

(through Zoom) • No Cost

## Wound Prevention and Home Treatment of Wounds

**Joseph Cornett, RN, CWON** has been a wound and ostomy nurse at Sonoma Valley Hospital for more than 10 years. He is certified with specialized training in the areas of diabetic wound care and ostomy wound care, and provides each patient with a personalized treatment program.

*HealthTalk is an education outreach program of Sonoma Valley Hospital, providing community members with the latest information on health and wellness topics to help them take charge of their health and wellbeing.*

**Wednesday, September 16**

**Time:** 1:00 pm – 2:00 pm

**How:** Zoom Video Conference

**Register by Email:**

Sonoma Valley Hospital wound care-certified specialist Joseph Cornett, RN, CWON, will be discussing steps to prevent wounds from occurring in the home. He will discuss the anatomy and physiology of the skin with regard to advanced age considerations for maintaining healthy skin. Joe will also identify important wound prevention practices for diabetics. There will be ample time for question and answers at the end of his presentation.
