Review Dates: 6/1989, 3/1996, 3/1999, 7/2000, 12/2001, 3/2005, 12/2007, 2/2022

INTRODUCTION

This statement of investment policy was adopted by the Board of Directors of Sonoma Valley Health Care District (SVHCD) on April 3, 2025, to provide for the creation of, and guidelines for the management of, various funds held by the organization. These policies supersede any and all prior actions regarding investment policies.

For the purposes of managing investment risk and optimizing investment returns within acceptable risk parameters, the following funds will be created, as needed, and held as separate investment pools.

- “Operating Fund”
- “Short-term Reserve Fund”
- “Long-term Reserve Fund”

PROCEDURES

- I. The following procedures will be followed to ensure the investment policy statement is consistent with the mission of SVHCD and accurately reflects current financial conditions:
 - A. The Finance Committee shall review this investment policy annually.
 - B. The Finance Committee will recommend any changes in this policy to the Board of Directors.
- II. The following procedures will be used to determine the dollar amounts to be placed in each of the various funds.
 - A. The Chief Executive Officer (CEO) or his/her designee will recommend the dollar amounts to be held in the Operating Fund and Short-term Reserve Fund.
 - B. The Finance Committee will recommend the dollar amounts to be held in the Long-Term Reserve Fund.

DELEGATION OF AUTHORITY

The Finance Committee is a fiduciary and is responsible for directing and monitoring the investment management of the various fund assets on behalf of SVHCD. As such, the Finance Committee is authorized to delegate certain responsibilities to professional experts in various fields. These include, but are not limited to Investment Management Consultant, Investment Manager, Custodian, and additional specialists.

It is anticipated that the services of a registered investment manager may be sought to manage portions of the Long-term Reserve Fund. The following procedure shall be followed to engage a new or replace a current investment manager:

1. The Treasurer and the Finance Committee will recommend the hiring or replacement of an investment manager to the Board of Directors.
2. The Treasurer and the Finance Committee will nominate prospective candidates and send a Request for Proposal to each candidate.
3. The Treasurer and the Finance Committee will review proposals and interview candidates to determine appropriate investment manager(s).
4. The Finance Committee will make the hiring recommendation to the Board of Directors, who shall have the final approval.
5. Investment Manager performance and engagement shall be reviewed by the Finance Committee with a report to the Board of Directors on an annual basis.

LONG-TERM RESERVE FUND

PURPOSE

The purpose of the Long-term Reserve Fund is to provide secure long-term funding for the mission of SVHCD. The assets of the Long-term Reserve Fund shall be managed in such a way as to facilitate the organization's goals and objectives as outlined by the Board of Directors. Expenditure of the principal is board designated unless otherwise designated by the donor(s) in part or in whole. Also, at the discretion of the Board of Directors, up to 100% of the yearly total return may be utilized for program and agency expenses unless restricted for specific purposes by the donor(s).

INVESTMENT OBJECTIVES

In order to meet its needs, the investment strategy of the Long-term Reserve Fund is to emphasize total return; that is, the aggregate return from capital appreciation and dividend and interest income.

Specifically, the primary objective in the investment management of the Long-term Reserve Fund shall be:

- Long-term growth of capital – To emphasize the Long-term growth of principal while avoiding excessive risk. Short-term volatility consistent with the volatility of a comparable market index is anticipated, though management should strive to contain it.
- Preservation of purchasing power – To achieve returns in excess of the rate of inflation plus spending over the investment time horizon in order to preserve purchasing power of agency and Trust assets. Risk control is an important element in the investment of Trust assets.

INVESTMENT GUIDELINES

GENERAL PRINCIPLES

1. Investments shall be made solely in the interest of SVHCD and Long-term Reserve Fund.
2. The assets shall be invested with care, skill, prudence, and diligence under the circumstances then prevailing that a prudent investor acting in like capacity and familiar with such matters would use in the investment of a like fund.
3. Investment of these funds shall be so diversified as to minimize the risk of large losses, unless under the circumstances it is clearly prudent not to do so.
4. SVHCD may employ one or more investment managers of varying styles and philosophies to attain the Fund's objectives.
5. Cash is to be employed productively at all times by investment in Short-term cash equivalents to provide safety, liquidity and return.

SPECIFIC INVESTMENT GOALS

Over the investment time horizon established it is the goal of the Long-term Reserve Fund assets to realize a total return in excess of the rate of inflation, as measured by the Consumer Price Index.

The goal of the investment manager shall be to meet or exceed the market index selected and agreed upon by the Finance Committee that most closely corresponds to the general principles stated above.

DIVERSIFICATION

Investment management of the assets of the Long-term Reserve Fund shall be in accordance with the following asset allocation guidelines:

Asset Class	Minimum	Maximum	Target
Equities	30%	70%	50%
Fixed Income	30%	70%	35%
Cash Equivalents	0%	20%	7.5%
Real Assets	0%	10%	5%
Alternatives	0%	10%	2.5%

The Finance Committee may employ investment managers whose investment disciplines require investment outside the established asset allocation guidelines. However, taken as a component of the aggregate portfolio, such disciplines must fit within the overall asset allocation guidelines established in this statement.

The Finance Committee will meet annually to monitor and re-evaluate investment allocation in reference to the Long-term Reserve Fund Asset classes.
