**SONOMA VALLEY HEALTH CARE DISTRICT
BOARD OF DIRECTORS' REGULAR & SPECIAL MEETINGS**

MINUTES

THURSDAY, DECEMBER 4, 2025

**HELD IN PERSON AT 177 FIRST STREET WEST, SONOMA,
AND VIA ZOOM TELECONFERENCE**

| | | |
|---|--|--------|
| SONOMA VALLEY HOSPITAL BOARD MEMBERS | | |
| 1. Wendy Lee Myatt, Chair, Present 2. Denise M. Kalos, 1st Vice Chair, Absent 3. Daniel Kittleson, DDS, 2nd Vice Chair, Present 4. Dennis B. Bloch, Secretary, Present 5. Ed Case, Treasurer, Present | | |
| MISSION STATEMENT | | |
| <i>The mission of SVHCD is to maintain, improve and restore the health of everyone in our community.</i> | | |
| 1. CALL TO ORDER | Wendy Lee Myatt | |
| Meeting called to order at 5:00 p.m. Technical audio issues with Zoom delayed start for 6 minutes. | | |
| 2. PUBLIC COMMENT | Wendy Lee Myatt | |
| Dave Pier shared highlights from a Sonoma Valley Catalyst meeting on aging in the community, noting that by 2030 the 75+ population is expected to surpass the 0-19 age group. Pier encouraged the hospital to stay engaged and visible in this growing community focus and mentioned that SVH was referenced positively multiple times. | | |
| 3. BOARD CHAIR COMMENTS | Wendy Lee Myatt | |
| Lee Myatt reported that four out of the five Board members attended a social dinner of the SVH Medical Executive Team the week prior, noting the great teamwork between the hospital and the board over the last year and thanking everyone for their hard work. | | |
| 4. CONSENT CALENDAR | Wendy Lee Myatt | Action |
| a. Finance Committee Minutes – 10.28.25 b. 2026 Work Plans c. Policies & Procedures d. Medical Staff Credentialing | MOTION: motion to approve by Case to approve, 2 nd by Kittleson. All in favor. | |
| 5. ANCILLARY SERVICES ANNUAL REPORT | Dawn Kuwahara | Inform |
| Kuwahara shared a positive overview of Ancillary Services' 2024 performance, highlighting strong patient satisfaction, solid quality outcomes, growing service volumes, and meaningful staff professional development. She emphasized the team's adaptability across diverse departments, active community involvement, and continued progress despite challenges with staffing, space, and aging equipment. | | |
| 6. IS ANNUAL REPORT | Bryan Lum | Inform |
| Lum presented an overview of the IT department's progress in the last year, emphasizing improved cybersecurity, system reliability, cost savings, and digital transformation. Major accomplishments included expanded clinical interfaces, consolidation of phone systems, enhanced network redundancy, and completion of several strategic initiatives supporting patient care and operational efficiency. Active and future projects focus on modernizing infrastructure, migrating to cloud-based solutions, and deeper integration with UCSF. | | |
| 7. STRYKER OR EQUIPMENT SYSTEM REPLACEMENT | Ben Armfield | Action |
| Armfield presented a proposal to replace the operating room integration system, identified as a critical capital need, and recommended proceeding with a lease option due to cash-flow considerations. The Finance Committee supported the lease approach, which defers payments until March 2026 while Foundation fundraising continues. | | |
| MOTION motion to approve by Case to approve, 2 nd by Kittleson. All in favor. | | |
| 8. ELECT DISTRICT OFFICERS | Board Members | |

| | | |
|---|--|--------|
| No change to district officers: Chair: Wendy Lee Myatt 1st Vice Chair: Denise M. Kalos 2nd Vice Chair: Daniel Kittleson, DDS Secretary: Dennis B. Bloch Treasurer: Ed Case | | |
| 9. CMO REPORT | <i>Patrick I. Okolo III, MD MPH</i> | Inform |
| Dr. Okolo emphasized progress across medication safety, quality metrics, survey readiness, and future primary care expansion. Okolo noted a milestone in safety culture maturity, surpassing 90% in medication barcode scanning, which was driven by pharmacy and IT leadership. Proactive regulatory survey preparation was highlighted, with new electronic policy systems and strong clinical volumes ahead of respiratory virus season. Okolo underscored the clinical importance of 1206B, and shared optimism about strengthening governance and financial solutions to attract and recruit new primary care providers to SVH. | | |
| 10. CEO REPORT | <i>Kelley Kaiser</i> | Inform |
| Kaiser thanked the group and shared first-month focus areas: <ul style="list-style-type: none"> • Board engagement – meeting members, attending most committees in month one, scheduling 1:1s. • Senior leadership – strong, welcoming team; continuing collaboration. • Strategic priorities – learning current plan, working with board direction, 1206B work, MRI referrals, UCSF partnership. • Internal communication/visibility – meeting staff, being accessible. • Community relations – attending local events, meeting mayor, council, city manager, and community leaders. | | |
| 11. FINANCIALS FOR MONTH END OCTOBER 2025 | <i>Ben Armfield</i> | Inform |
| Armfield reported that October was the best financial month in years, driven by stronger operations. SVH posted a positive operating margin, showing real progress in the fiscal year so far. Cash is still tight while waiting for funding expected early next year. The board congratulated the results and confirmed this is the new baseline, with momentum heading in the right direction. | | |
| 12. COMMITTEE UPDATES <ul style="list-style-type: none"> • Quality Committee Q3 update | <i>Board of Directors</i> • Dan Kittleson | Inform |
| Kittleson presented the Quality Committee’s quarterly report for 2025 Q3. Key areas showed improvement in mortality rate, patient safety indicators, blood culture contamination, stroke care, length of stay, sepsis compliance, and readmissions, which remain below Medicare goals. A few isolated patient fall events occurred with no injuries. Appreciation was expressed for the SVH staff and committee superior work and dedication. | | |
| 13. BOARD COMMENTS | <i>Board of Directors</i> | None |
| 14. ADJOURN | <i>Wendy Lee Myatt</i> | |
| Regular session adjourned at 6:07 p.m. | | |

|---|-------------------------|-------------------|-----------|
| Treat and Transfer of Patients | Pending Approval | 12/24/2025 | 11 |
| <i>Governance and Leadership Policies</i> | | | |

Summary Of Changes: **Changed title to Transfer of Patients (to include process for all patients, not just to imply ED pts). Added purpose statement that focuses on safe transfer when needed. Added the decision to transfer is made "after careful medical screening, treatment and stabilization, and upon interdisciplinary consultation (physician, surgeon, nursing supervisor as appropriate)..." Added that case management may assist with the transfer process. Removed language that the nursing supervisor approves the transfer. Added proper reference to CMS rule, removed reviewer names (kept titles only). Added sentence that criteria for transfer may also include the request by pt insurance (e.g. Kaiser) and that the transfer reason and process must meet EMTALA and CDPH requirements**

2025 Annual Community Report

OVERVIEW

July 1, 2024 – June 30, 2025

2025 Annual Community Report

HEALING HERE AT HOME: Advancing Our Care

This year, we made exceptional advances in our ability to serve our community: a new 3T MRI, advanced orthopedic and robotic technologies, and expanded diagnostic capabilities.

2025 Annual Community Report

COMMUNITY PARTNERSHIPS & HEALTHY AGING:

Active Aging Wellness: Partnering with Vintage House, the series remains a popular community education program focused on vitality, resilience, and quality of life as we age.

Golden Harvest Senior Resource & Wellness Faire: Co-produced with Vintage House and Sonoma Community Center, the event connected older adults, families, and caregivers with a wide range of local organizations offering support in health, housing, and caregiving.

High Patient Satisfaction Across Services: During 2025, all participating departments received average scores of 4.69 or higher out of 5, demonstrating strong performance across emergency, inpatient, outpatient, and diagnostic services.

2025 Annual Community Report

ADVANCING CARE THROUGH TECHNOLOGY:

ROSA Robotic Knee System: The addition of the ROSA brings a new level of precision to knee replacement surgery. ROSA blends detailed imaging with real-time data, allowing surgeons to tailor procedures to each patient's anatomy.

Stryker Navigation System: Upgrades to our Stryker navigation system enhance accuracy and confidence in orthopedic and spine procedures. This technology supports safer procedures, improved outcomes, and expanded access to advanced surgical capabilities without the need to travel outside the community.

New Breast Ultrasound Technology: This year, SVH expanded its women's imaging program with a new advanced breast ultrasound system, offering clearer images, faster exams, and greater comfort for patients.

3T MRI – A New Standard in Imaging: Our 3T MRI represents one of SVH's most significant diagnostic advancements. With a powerful magnet and advanced coils, the 3T MRI produces exceptionally detailed images in less time, improving accuracy across neurological, orthopedic, abdominal, cardiac, and breast imaging.

The Intergovernmental Transfer (IGT)

The Intergovernmental Transfer (IGT) program is a crucial funding mechanism that enables district hospitals to use their own dollars to secure additional federal Medicaid funds through a matching process. For SVH, this means contributing funds to the state, which are then used to access federal Medicaid matching dollars. The combined funds are redistributed to the hospital with a net funding increase. Last fiscal year, the hospital used \$3 million to secure over \$5 million in additional federal funding. These supplemental revenues are essential, allowing the hospital to reinvest in patient care and ensure sustainable operations.

El programa de Transferencias Intergubernamentales (IGT)

es un mecanismo crítico de financiamiento que permite que los hospitales distritales utilicen sus propios fondos para obtener fondos federales adicionales de Medicaid mediante un proceso de contrapartida. Para el SVH, esto significa contribuir fondos al Estado, que luego se utilizan para obtener fondos federales equivalentes de Medicaid. Los fondos combinados se redistribuyen al hospital con un aumento neto de financiamiento. El pasado año fiscal, el hospital utilizó \$3 millones para obtener más de \$5 millones en fondos federales adicionales. Estos ingresos suplementarios son esenciales, permitiendo que el hospital reinvierta en la atención al paciente y garantice operaciones sostenibles.

CMO Report

Patrick I. Okolo III, MD, MPH
Sonoma Valley Hospital
Board of Directors Meeting
January 2026

CMO Report – Executive Context

- Purpose
 - Focused update on early 2026 enterprise priorities
- Context
 - From survey preparation to survey performance
 - From fragmented initiatives to integrated execution
- CMO Lens
 - Quality • Safety • Access • Integration • Reliability

Reimagining the 1206(b) Strategy

- Why It Matters
 - Core lever for access, alignment, and downstream value
- Early 2026 Focus
 - Clarify specialty growth and sequencing
 - Strengthen governance and accountability
 - Standardize workflows
- Outcomes
 - Improved access
 - Predictable, compliant operations

Optimizing UCSF–SVH Collaboration

- Strategic Imperative
 - • Move from affiliation to active collaboration
- Priority Areas
 - • Clinical pathways and co-management
 - • Provider communication and referrals
 - • EHR interoperability
- Success Indicators
 - • Reduced friction
 - • Clear escalation pathways

Strengthening the HERV Readiness Team

- Core Principle
 - Readiness as a standing capability
- Early 2026 Actions
 - Formalize structure and cadence
 - Leader alignment by domain
 - Routine tracers and drills
- Impact
 - Survey confidence
 - Faster issue resolution

Actualizing Survey Readiness Gains

- Mindset Shift
 - • Survey work becomes daily work
- Key Focus Areas
 - • Standard work
 - • Gap closure with metrics
 - • Frontline reliability
- Board Outcomes
 - • Sustained compliance
 - • Improved safety and experience

Early 2026 Priorities – Integrated View

- Enterprise Priorities
 - • 1206(b): disciplined outpatient execution
 - • UCSF–SVH: deeper clinical integration
 - • HERV: durable readiness infrastructure
 - • Operations: lock in gains
- CMO Commitment
 - • Execution over aspiration

To: SVHCD Board of Directors
From: Kelley Kaiser, Chief Executive Officer
Date: January 7, 2026
Subject: CEO Update – January 2026

Happy New Year! It has been a busy year end at Sonoma Valley Hospital.

Strategic Planning

We have received an updated DRAFT of the Affiliation Agreement with UCSF. We have regular meetings scheduled to ensure this work gets completed. As we update the Affiliation Agreement with UCSF, we are hoping to create a comprehensive sustainable and integrated network to serve the needs of Sonoma Valley now and in the future, focusing on these areas:

- Coordination of SVH/UCSF Hospital transfers and scheduling. Improved access to transfers between facilities. Seamless access and scheduling for Imaging and labs with a continued focus on MRI scheduling.
- Improve Interoperability between Sonoma Valley Hospital and UCSF
- Sharing of educational resources between UCSF and the SVH Medical Staff
- Recruit and expand access in Sonoma for both primary and specialty services; Evaluating the appropriate model that best meets the needs of SVH and the Community while maximizing the relationships that UCSF has with other affiliates (i.e. Marin Health) Creating a sustainable recruiting strategy that aligns with UCSF's North Bay strategy.

As we look at our Strategic Plan, our efforts are focused on the following pillars:

- *Campus Realignment – Align services with community needs (Quality, Access and Experience)*
- *Community Care – Explore and expand relationships (Community Engagement)*
- *Sustainability – Ensure our Financial Future, including Seismic compliance*
- *Connected Culture – Internal alignment - Promote a culture of resilience, innovation and shared purpose*

Operations Update

90 Day plan update –

- I have met with most of the Board to get a sense of their vision and goals.
- I continue to meet regularly with the Leadership team as we work on communication and strategic planning.
- We are working on updating the Strategic Priorities in preparation for a full review of the Strategic Plan this Spring.
- We are in the process of setting up a regular cadence for “All Employee Forums” to be held

twice a year.

- We had a wonderful Welcome event on December 9th, that afforded me the opportunity to meet many of our Donors and Community partners. It was great to see so many of you there!

Operating Performance – November was strong financially, continuing what has been a very favorable start to FY26. For November we exceeded budget from operations and broke even in operating margin (positive \$2,500). YTD, we have a 2.9% operating margin. We received the Parcel Tax in December and are on track to receive the IGT dollars in January.

Stryker System – I am pleased to share that the Foundation has raised over \$725K towards the Philanthropic goal of \$1 million.

Capital Planning – As we head into the new Calendar year, we will continue to focus on Capital Planning and coordination with the Foundation as it makes sense from a Philanthropic perspective.

Seismic update – The team successfully filed the documents required by January 1, 2026, related to Seismic Compliance.

Website update – We will be launching an update to our website in the next quarter. The goal of the update is to enhance the usability of the site as well as update the look and feel.

To: SVHCD Board of Directors
 From: Ben Armfield, Chief Financial Officer
 Date: January 7, 2026
 Subject: Financial Report for November 2025

OVERALL PERFORMANCE SUMMARY | MONTH OF NOVEMBER 2025

- **Operating Performance** – Following October’s exceptional performance, November reflected a more normalized - yet still very solid - financial month. The hospital generated Operating EBDA of \$520,000, significantly outperforming the budgeted Operating EBDA of \$50,500. Operating Margin was essentially breakeven at \$2,500, compared to a budgeted operating loss of \$(462,000).

Through the first five months of FY26, the hospital has exceeded budgeted operating performance every month and has posted a positive operating margin in three of the five months. This represents meaningful progress relative to prior years and reinforces that recent gains are not isolated events, but part of a broader upward trajectory that management remains focused on sustaining and improving.

- **Operating Revenues – \$6.73 Million**, exceeding budget by **10%** or **\$638,000**. Outpatient volumes softened relative to October, driven largely by the Thanksgiving holiday, as volumes were tracking closely with October levels prior to the holiday week. Despite this, surgical volumes once again exceeded budget and inpatient activity remained strong, with the hospital posting its highest average daily census of the fiscal year. Gross revenues increased by 13% over budget, translating into solid net revenue performance despite the holiday-related disruption.
- **Operating Expenses - \$6.73 Million**, coming in just **1.5%** over budget, or **\$170,000**. Overall expense performance remained well controlled, with most categories tracking closely to budget expectations. Expense discipline continues to be maintained even as clinical volumes remain elevated.
- **Year-To-Date** the hospital’s financial position remains very strong and represents a sharp contrast to prior fiscal years. Through five months of FY26, SVH has generated Operating EBDA in excess of \$2.7 million and is sustaining a positive Operating Margin of approximately \$200,000 (2.9%) - an important milestone for the organization.

OVERALL PERFORMANCE (In 1000s, INCLUDES PARCEL TAXES) | NOVEMBER 2025

| | Current Month | | | | Year-To- Date | | | | | | |
|--------------------------|---------------|------------|----------------|-------------|---------------|--------------|------------------|-------------|--------------|-------------------|-------------|
| | Actual | Budget | Var | % | Actual | Budget | Var | % | PY Actual | Var | % |
| Operating Margin | \$ 2.5 | \$ (462.8) | \$465.3 | 101% | \$ 197.8 | \$ (2,090.2) | \$2,288.0 | 109% | \$ (2,037.7) | \$ 2,235.5 | 110% |
| Operating EBDA | \$ 520.2 | \$ 50.5 | \$469.6 | 929% | \$ 2,744.0 | \$ 526.6 | \$2,217.4 | 421% | \$ 616.2 | \$ 2,127.7 | 345% |
| Net Income (Loss) | \$ 263.5 | \$ (306.9) | \$570.5 | 186% | \$ 1,426.1 | \$ (1,310.8) | \$2,736.9 | 209% | \$ (1,088.2) | \$ 2,514.3 | 231% |

- **Cash** – Cash collections in November were lower than recent months, largely attributable to the Thanksgiving holiday and related timing impacts. As previously discussed with the committee, cash levels are expected to remain extremely tight until supplemental revenues are received. November closed with operating cash below \$500,000, a level that is clearly unsustainable over the long term but was both anticipated and temporary.

Importantly, the hospital received its December parcel tax apportionment of approximately \$2.0 million, which has provided near-term relief. Additional liquidity improvement is expected once Rate Range IGT proceeds are received. Management continues to closely manage cash on a daily basis during this interim period.

DRIVERS IN MONTHLY PERFORMANCE

While November volumes pulled back from October's all-time highs, overall activity levels remain strong, with inpatient and surgical volumes leading performance.

Emergency Room volumes moderated slightly from prior months but still totaled 932 visits (31.1 visits per day), finishing 7% above budget. The ER has averaged more than 30 visits per day every month this fiscal year. Year-to-date, ER volumes exceed both budget and prior year by 13% and 10%, respectively - reflecting sustained demand well above historical norms.

Surgical volumes again exceeded budget by nearly 30%, continuing a steady upward trend throughout the summer and fall. Orthopedics and Gastroenterology remain the primary contributors to this growth, reflecting durable strength across two of the hospital's most strategically important service lines and reinforcing the sustainability of recent surgical performance.

Outpatient volumes were lighter than the exceptionally strong run-rate seen in prior months, primarily due to the Thanksgiving holiday. Total outpatient visits were just over 5,300, finishing approximately 6% below budget. MRI volumes declined from October's record levels but remained strong, exceeding 200 exams for the month - still well above historical averages and budget expectations.

Cash remains incredibly tight and due to the current cash constraints and the timing of supplemental revenue receipts, the hospital has been required to extend accounts payable timelines beyond normal levels. Management has prioritized payroll, critical supplies, and essential vendors, while deferring lower-priority payments where possible to preserve liquidity.

As a result, accounts payable balances and days payable outstanding have increased temporarily. This strategy is intentional and short-term in nature. Once IGT proceeds are received, management expects to systematically normalize payables and reduce outstanding balances. The committee should expect a visible improvement in working capital metrics as these supplemental funds are realized.

IGT Update

The hospital successfully completed the Rate Range IGT matching fee pay-in in November, remitting just under \$10.5 million to initiate the federal match process.

In late December, we received confirmation that the proceeds have been distributed to the participating health plans. This is an important milestone and indicates that the program is advancing on a timeline consistent with prior experience, providing confidence in the remaining steps of the process.

Based on this progression, the hospital expects to receive the full IGT proceeds in January. Receipt of these funds will materially improve liquidity and allow management to normalize working capital, including the systematic reduction of accounts payable (which will be sizeable) that were temporarily extended during the interim cash-constrained period.
